DR. ANDREW MONCARZ BSC, DDS, DIP AN, MSC, FRCD(C)

DENTAL MANAGEMENT OF IMMATURE TEETH

Andrew Moncarz was born and raised in Toronto. As a child and teenager, he was fortunate to have had the opportunity to spend two sabbatical years with his family traveling in Europe, Africa, and the Middle East. He received his DDS from U of T in 1999 as well as the Gordon Cressy Student Leadership Award for outstanding voluntary service to the university. Dr. Moncarz completed his dental anaesthesiology training at The Mount Sinai Medical Center in New York City in 2001. He received his Masters from U of T and his Fellowship (Royal College of Dentists of Canada) in Endodontics in 2004. He received his Diplomate status from the National Dental Board of Anesthesiology (USA) in 2005. He became a Specialist in Dental Anaesthesia in Ontario in 2008.

Dr. Moncarz is currently a lecturer and a clinical demonstrator at the Faculty of Dentistry, University of Toronto in the Disciplines of Paediatric Dentistry and Dental Anaesthesia. He is the Co-Director, Endodontics Section, in the Department of Dentistry at Mount Sinai Hospital in Toronto

Dr. Moncarz is a Past President of the George Hare Endodontic Study Club and is a Past President of the Ontario Society of Endodontists.

Out of the office, he enjoys life with his wife and his three children. He is an avid bass player and collector of vintage basses.
