**CANADA'S SECOND LARGEST**

## **LEAVE THE CROWDS BEHIND!**

From mid-November through until early April, our winters receive up to 6 meters of dry powder that cover Sun Peaks' three mountains. These mountains make up 4,270 acres of varied terrain where you'll find everything from steeps and moguls to "cruisy" intermediate and beginner trails, off-piste areas to a 10-acre terrain park. There's really something for everyone of all abilities to enjoy. Review our Mountain Stats.

What makes a ski holiday at Sun Peaks extra special is how all of the terrain flows seamlessly into the ski-in/ski-out village. You'll experience convenience and comfort in the alpine style village, with a variety of lodging options offering easy access to the slopes and to a myriad of non-ski winter activities. The village is home to over 40 restaurants, cafés, and boutique shops, where you can kick start your day with a cup of coffee or enjoy après with a glass of famous Okanagan wine and local live music. Explore our Alpine Village.
