containing information about joining the meeting.

DR. FARYN BERGER BSc, DDS, MSc (Perio), FRCD(C)

**Treating the Pregnant Patient:  
Precautions, Periodontal Considerations, and the Pandemic**

Dr. Berger completed her Master of Science as part of the Graduate Periodontal Program at the University of Toronto and received her specialty designation in 2018. Prior to studying Periodontology, she received her dental degree in 2014 from the University of Toronto and subsequently completed a General Practice Residency at Tufts University School of Dental Medicine in Boston, Massachusetts. During her dental education, Dr. Berger received numerous awards and recognitions, including the Dean's Gold Medal. She has also completed clinical research examining the potential benefits of resveratrol, an anti-oxidant, in the treatment of chronic periodontitis. Dr. Berger has remained involved with the University of Toronto's Faculty of Dentistry by teaching as a clinical Periodontology instructor and being a staff periodontist at Mount Sinai Hospital. She currently practices as an associate in midtown Toronto.
