Hotel Ormelune****

Hotel Ormelune is a vibrant, design-forward boutique hotel set in the heart of the alpine village of Val d'Isère, just steps from the ski slopes. Unlike traditional mountain lodges, it reimagines the classic chalet experience with a playful, contemporary twist—combining bold colors, modern finishes, and a lighthearted sense of humor throughout its interiors.

This family-run four-star hotel offers 56 rooms spread across multiple categories, each featuring a fresh, modern aesthetic that deliberately moves away from predictable alpine décor. Expect bright, energetic color schemes paired with natural tones, creating spaces that feel both stylish and inviting.

Perfectly located in the center of the village, the hotel provides effortless access to the slopes, lifts, shops, and restaurants, making it especially appealing for skiers and families. Its atmosphere is relaxed and welcoming, with a strong emphasis on comfort, personality, and a sense of fun.

Guests can unwind after a day on the mountain in the hotel's spa, sauna, or steam room, or enjoy contemporary French cuisine in the on-site restaurant and a cozy drink in the lively bar area.

Overall, Hotel Ormelune stands out as a cheerful, unconventional alpine retreat—offering a refreshing alternative to more traditional ski hotels, where design, location, and a playful spirit come together to create a memorable mountain stay.

Hotel Ormelune offers a range of amenities to make your alpine stay comfortable and fun. You can expect things like direct access to the ski slopes, a cozy on-site restaurant serving modern cuisine, and a lively bar for après-ski drinks. You'll also find a spa area with a sauna and steam room to relax after a day on the slopes. Plus, there's a ski room for your gear and a friendly, laid-back vibe throughout the hotel.

Val d'Isère

Val d'Isère is one of the most famous alpine resort towns in the world, located in the French Alps near the Italian border. It's renowned for elite skiing, stunning mountain scenery, and a lively yet refined village atmosphere.

The Skiing (World-Class)

Val d'Isère is part of the massive **Espace Killy** ski area (linked with Tignes), offering:

- Over **300 km of pistes**
- Terrain for *all levels*—from gentle beginner runs to extreme off-piste
- High-altitude skiing (great snow reliability)
- Home to famous runs like **La Face de Belvedere** (Olympic downhill)

This is serious skiing—often ranked among the best in the world.

The Village Feel

Despite its global reputation, the town still feels like a **charming alpine village**:

- Traditional chalet-style architecture
- Upscale boutiques and shops
- A strong mix of locals, Europeans, and international visitors

It strikes a balance between **authentic and luxurious**—not overly glitzy, but definitely high-end.

Après-Ski & Dining

Val d'Isère has a **vibrant social scene**:

- Legendary après-ski spots like **La Folie Douce**
- Excellent restaurants ranging from casual mountain fare to Michelin-level dining
- Lively bars, but generally more refined than party-heavy resorts

Val d'Isère is a **world-class ski destination with soul**—it delivers exceptional skiing, a great village atmosphere, and enough sophistication to feel special without being over-the-top.

If you're considering it for a ski trip (especially Europe), it's absolutely in the top tier.

Travel Insurance

Everyone must have medical insurance!

We also suggest you have trip cancellation and interruption insurance.
