Le Vanessa, a 4 star hotel in Verbier

Nested in the Swiss Alps, on the doorsteps of both Italy and France, Verbier is a quintessentially elegant and subdued ski resort. Since the first skiers ventured on its slopes in the 1930s, Verbier and its slate roof chalets has retained the charm of a typical mountain village. Located in the middle of the “4 Vallées”, one of the largest ski areas in all of the Alps, the resort offers over than 400km of ski slopes in the winter and 950km of hiking trails in the summer. While Verbier is significantly less ostentatious than other resorts, it has nevertheless always attracted members of European royal families and international celebrities looking for authenticity and discretion.

Ideally located in the heart of Verbier

50 meters away from the central town square and 350 meters away from the ski lifts of Medran, Hôtel Le Vanessa is a Verbier institution. This impressive chalet of 53 suites, which dates back to the 1970s, has just been fully refurbished. Whether you are looking for amazing off-piste, a great after-ski on the slopes, or just enjoying some time off with your friends and family, the staff of the hotel will be happy to welcome you in what many consider to be one of the finest hotels in Verbier.

Pure bliss

We have designed the wellness center of the Hotel Vanessa to offer you a dedicated space for wellbeing, a place where you can truly indulge and take some time for yourself. White stone and light wood makes our wellness center a very relaxing space, which you can enjoy with your loved ones. Truly the perfect place to be in after a long day on the slopes.

Verbier

Verbier has developed into a glamorous winter playground. Verbier has superb skiing, international clientele, high-quality accommodation and phenomenal bars and restaurants, it's most certainly worth it.

Situated in the canton of the Valais, in the southwest of Switzerland, Verbier is bordered by France to the west and Italy to the south. It's about a three-hour drive from Zurich airport, or you can take a train from the airport to Le Chable and then hop onto the gondola to the centre of resort.

Verbier suits both the keen skier, with its amazing and easily accessible off-piste, and the more leisurely skier who enjoys cruising the blues before relaxing on a sun lounger for the afternoon. It's also the perfect spot for the après-ski enthusiast, with a world-famous selection of lively bars and clubs.
